This communication is a status request for the above-referenced patent application. The Examiner indicated that all pending claims in the application were allowed in an Office Action dated August 7, 2002 (Paper 39). In Paper 39, the Examiner requested that the Applicant file a substitute specification and new formal drawings. Applicant filed the requested substitute application and drawings in a Response dated September 13, 2002. To date, Applicant has not received further correspondence from the Examiner.

Applicant respectfully request this matter to be investigated and that Applicant be provided with a status of this case. Please call the undersigned with regards to this information at (415) 781-1989.

Enclosed with this Request is a Revocation of Previous Powers of Attorney and Appointment of New Power of Attorney executed by the assignee of the present application providing the appropriate authorization to obtain status information.

Respectfully submitted,

DORSEY & WHITNEY LLP
